

DANCE AND DRILL HANDBOOK

How to use this Handbook

If looking for information on a specific topic, first refer to the table of contents. Each section is organized with rules listed first, followed by other requirements, policies, and / or procedures. Some sections also offer helpful hints at the end.

Levels have been assigned to each rule or policy within each section. These levels were created to designate a path to change or update the rule or policy. These levels represent the MINIMUM action needed to change. It should be noted that in many cases, the membership is polled for their opinions and concerns regarding changes that might not necessarily require a membership vote. Most sections list these levels in the right-hand column. Some entire sections are one level and listed as such at the beginning of the section.

Minimum Action needed for Change.

LEVEL A DDCA Board Only

LEVEL B DDCA Board and Membership

LEVEL C DDCA Board and OSAA Executive Board

LEVEL D DDCA Board, Membership, and OSAA Executive Board

LEVEL E OSAA Executive Board Only

LEVEL F DDCA Board and/or Approval from OSAA Assistant Executive
Director
